

# JEWELRY DESIGN WITH PROCREATE ON IPAD

COURSE FEE: 32,000 THB

LOCATION: JEWELRY DESIGN STUDIO (BANGRAK, BANGKOK)

LANGUAGE: ENGLISH VERSION

DURATION: 10 SESSIONS / 3 HOURS EACH

PARKING AVAILABLE IN THE BUILDING

REQUIREMENTS FOR STUDENTS: IPAD AND APPLE PENCIL

## Session 1-2

- Setting up the canvas for design
- Using tools and commands
- Saving and sharing files
- Learning how brushes, drawing tools, and the eraser work
- Understanding Drawing Assist and other essential settings
- Practicing basic ring sketches to master shading, light, and shadow
- Drawing gemstones in all standard international cuts (pear, oval, marquise, emerald, etc.) and coloring them with a watercolor-like effect
- Learning how to cut out real gemstone images in Procreate to use as a design reference library
- Learning how to change gemstone colors using tools in Procreate

## Session 3-4

- Learning to draw different ring shapes in detail, with techniques in technical drawing showing the top, front, and side views
- Studying the theory of gemstone settings, covering the main types commonly used in the jewelry industry
- Learning to design different types of earrings, starting from studs, dangles, hoops, and more

## Session 5-6

- Learning to draw different types of pendants
- Learning to create necklace brushes that can be combined with the pendant designs from the previous step
- Designing matching high jewelry sets, such as necklaces, rings, and earrings.

## Session 7-8

- Designing necklaces with diamond and gemstone settings in various shapes
- Learning about necklace components and findings, such as clasps, lobster locks, and more
- Designing different types of bracelets, such as tennis bracelets and fashion chain bracelets
- Designing diamond and gemstone bangles

## Session 9-10

- Learning how to create custom brushes to build a design resource library, such as diamond-shaped brushes, chain pattern brushes, ring brushes, and ring setting brushes
- Studying jewelry fashion trends for 2027, based on future forecasts developed by leading jewelry trend experts from Italy
- Applying all the knowledge learned to design jewelry pieces inspired by the 2027 trend framework
